

NWCAA: TEAM APPAREL Payment Questions

Questions have arisen in the past regarding payment for coaches' jackets and apparel. After some discussion it was agreed that because the NWCAA has picked up the cost of coach honorariums, the NWCAA will ask teams to pay for their own coaches' jackets.

The NWCAA will commission a supplier at the beginning of each season. No cresting other than approved NWCAA cresting will be allowed.

COACHES: Teams pick up 100% of the cost.

MANAGERS: If a manager wishes a jacket - it should be 50% paid by team and 50% by themselves. (Jackets are not mandatory for managers)

TRAINERS: If a trainer wishes a NWCAA Track Suit - 100% Team pays for track suit

DIRECTORS: If a director wishes a jacket - it should be 50% paid by NWCAA and 50% by themselves.

PLAYERS: Jackets, hoodies, track pants and hockey bags are made available for purchase at the player's expense or on the team account if so approved.

Teams will be notified of their fitting date for apparel.

See the Team Handbook; "Dress Code/Apparel" for detailed information.
