

CHARACTER BUILDING | SKILL DEVELOPMENT | SPORTSMANSHIP

ADVERTISEMENT OPPORTUNITY

The Northwest Calgary Athletic Association (“NWCAA”) operates an elite hockey program for Bantam AA, AAA, Minor Midget AAA, Midget AA, AAA and Junior B aged players. We draw players from the communities located in the NW and SW quadrant of Calgary with over two hundred and fifty families in the NWCAA association.

The NWCAA aims to advance elite amateur hockey through the development and for the enjoyment of its players. Our goals are to teach good sportsmanship, to develop solid character and to continually improve hockey skills.

With your support, the young people who continue playing at these elite levels will become well-rounded young adults ingrained with values we would like to see in today’s youth - teamwork, responsibility, strong work ethic, and the will to succeed all while having fun.

By contributing to NWCAA you are helping us grow the community of elite hockey. Your support ensures that hard-working, dedicated and focused young athletes have the best opportunities to advance their hockey and leadership skills both on and off the ice.

For \$1895 annual fee, your ad will remain on our website www.nwcaa.ca for one full year. The NWCAA website serves over 255 families as it is the hub for all information for each of the eleven teams.

Thank you for your support.
