Governing Elite Hockey for Hockey Calgary

Deadlines to Release Players

In an effort to ensure a timely tryout process in both Community and Elite Hockey the four Elite associations will adhere to the following dates for the release of players back to community hockey.

Bantam

- The last day to return Bantam AA players to community Hockey is September 22nd of the current playing season.

Midget

- The final day to release players back to Community Hockey is September 25th of the current playing season.
- Each Elite Association may only have a total of 63 Players remaining on their tryout (potential) list for Midget AAA and AA as of **Monday September 18th**, this includes any player not yet returned from a Junior Team. In other words, Community Hockey will only accept a maximum of 5 players returned to community from each Elite Association between September 18th and 25th.
- Each Elite Association will provide Hockey Calgary a list of these 63 players by 5:00 PM on September 18th.
