NWCAA Bantam Spring Prep Camp 2018 – *Invite from the Coach*

My name is Kelly Chesla and I am the Head Coach of the NWCAA Bantam AAA hockey team for the 2018 season. I want to take this opportunity to introduce myself and provide you with some information regarding the NWCAA program and our Bantam Prep Camp June 3rd to June 6th.

I want to formally extend an invitation to our NWCAA Bantam Prep Camp. We are currently looking for athletes who can make a positive impact on our program next year.

My staff and I are committed to help you develop your athletic skills. My coaching experiences have allowed me to coach and teach players from all levels of minor hockey as well as the WHL and NHL. You will learn systems and techniques that have benefited several players who have gone to the next level.

What is so great about our program – we are committed to seeing you become a winner on the ice, but more importantly, a winner in life. We have a long history of succeeding on both counts.

You will never truly understand what the NWCAA Bantam AAA program is until you meet with our staff and interact with similar skilled players on the ice. At that point you will gain an understanding of what will be expected to be successful in making one of the NWCAA Bantam teams.

We look forward to meeting you at the June prep camp. For further information and registration please visit the NWCAA website www.nwcaa.ca and look under the “Camp” menu button.
